TRAVEL TECH ASSOCIATION

START-UP MEMBER

Your Connection to Investors, Industry Leaders, and the Travel Tech Founder Community

Travel Tech Association's Start-Up Membership gives pre-seed and seed-level travel technology companies direct access to the community, investors, visibility, and industry relationships that can help them grow.

For $995 per year, Start-Up Membership gives founders access to the people and opportunities that are difficult to reach alone.

Monthly Start-Up Meet-Ups

Connect with other founders, hear from expert speakers, and access practical guidance from people who understand the opportunities and challenges of building in travel technology.

Quarterly Start-Up & Investor Connects

Engage with investors interested in travel technology and gain visibility with people looking for emerging companies, new ideas, and promising solutions.

Annual Start-Up Summit

Attend Travel Tech's annual Start-Up Summit, reserve a showcase table while space is available, and apply for the pitch competition as part of your membership benefits.

Founder and Company Visibility Opportunities

Build recognition through member spotlights, founder highlights, event participation, communications opportunities, and Travel Tech's broader industry network.

Member Learning Resources

Access member-only content, session takeaways, recordings, and practical resources designed to help busy founders learn from Travel Tech programming on their own time.

Travel Tech Member Credibility

Show investors, partners, customers, and peers that your company is connected to the national association advancing policy, innovation, and industry growth for travel technology companies.
